

# RFMG FALL NEWSLETTER

**FLU SHOTS, CHANGES, & NEW SERVICES**

## FLU SHOTS!

**\$30 FOR MEMBERS**

**\$35 FOR NON-MEMBERS**

We have flu shots! We recommend that kiddos and parents of young children get their flu shots ASAP, and everyone else get theirs in October.

Other vaccines to consider are RSV, COVID and Pneumonia, which are available at your pharmacy.

SHOTS!**

## CHANGES: NEW LOCATION & RATES

We opened the doors to our new location at 730 Willow Street! NP Sarah is covering the new location until we get busy enough to hire more staff. If you are a patient of Sarah's you can see her at the new location, or request a Friday morning appointment to be seen at the Mayberry location. Kate is also happy to see you!

## NEW PHONE SYSTEM

We will be debuting our new phone system soon. The system will help you get your questions answered faster and access our other locations and services from one number! Don't worry, you'll still be able to reach your NP directly via call and text!

## NEW RATES

Existing Members can breathe easily knowing their rates are not increasing! That said, we will be adding a \$3.50/month processing fee to cover Credit Card charges. These fees recently increased but we are covering 50% of the cost to keep prices low for our members!

Starting January 1, 2025, new members will enter at our new rates:  
\$125/month for adults  
\$60/month for youth & students

Encourage your friends and family to sign up before the increase!

## NEW ELECTRONIC HEALTH RECORD W/PORTAL AND SCHEDULING

Reno Family Medical Group will be migrating to a new Electronic Health Record system called Dr. Chronos over the next two months. In that time we ask you to sign electronic copies of our membership forms and enter your payment information a final time.

## NEW SERVICES

Now offering IV therapies for hydration, energy, and immune support, and offering LUMEN: Hack your metabolism with one breath. Learn more at [lumen.me](https://lumen.me)
